# Holiday letter to a student template

Dear [first name],

Before we leave for winter break, I want to tell you one thing I'll remember about this fall: [a real moment]. It showed me [what it says about them].

I've loved watching you [something they've grown in since the first day]. When we come back in January, I can't wait to see [something they're looking forward to, or a next step].

Have a wonderful break.
